Dear Parents

## Planetarium

Year 1 has planned an exciting visit from the planetarium which is linked to our learning quest topic Space. The purpose of the visit is for children to explore space travel over time and explore planets and stars in our solar system. All Year 1 classes will be having a session which will take place on **Thursday 6 June 2024**.

The cost of this session is **£4.50**. In accordance with the 1996 Education Act, we have to ask for 'voluntary contribution' towards the cost of the visit. In the unlikely event that the costs cannot be covered by contributions, the performance will be cancelled. If your child is eligible for Pupil Premium the school can support you. Please make contributions via ParentMail > Payment Item > Shop > Y1 Planetarium by **Friday 3 June at the latest**.

Many thanks for your continued support.

Yours sincerely

Year 1 Team
