

Friday 1 May 2020

Dear Parents

I hope you and your families are keeping well. This week brought the launch of Google Classroom, it was so great to see so many children logging on and handing in their work. The teachers have really been enjoying seeing all the work the children have been doing. A big thank you to the parents and children for your hard work throughout the week and bearing with us with some of the technical issues. We hope we have managed to resolve most of them and next week should run smoother! The work for next week will be uploaded by the end of the day. We will be calling those families who haven't logged onto Google Classroom or handed in any work or photos, to check you are safe and well. We want to be able to provide as much support as we can; nothing will replace face to face teaching but we believe the methods we have provided will give the children the opportunity to continue to develop their knowledge and understanding across a range of subjects as well as maintaining a relationship with the children.

Our building may currently not have all the children in, it is certainly missing the daily hustle and bustle, but we know that we are all doing our bit to help defeat the virus. We can't wait to have all the children back. If you need any additional help or support, or have any questions, please do not hesitate to contact the school through the office e-mail: [office@grangeparkprimaryelt.org](mailto:office@grangeparkprimaryelt.org) and we will do our best to support.

Have a good weekend, let's hope it will be rain free! Stay safe and well.

Kind regards

Tijen Hassan

**Headteacher**
