RE: Neptune class- no longer in bubbles from Wednesday 9 February 2022

As you may already know there have been several cases of COVID-19 in this Class. This number has now reduced. In line with our COVID-19 Outbreak Management Plan we are now able to release Neptune class from the bubble arrangement **from Wednesday 9 February 2022 unless stated otherwise**. This includes:

- Children will have lunch in the dining hall and will mix with other children in the playground.
- The Class will be able to attend after school enrichment clubs and Extend breakfast/afterschool club from **Wednesday 9 February 2022**.

Hopefully we will not need to reintroduce a bubble arrangement but this is being reviewed on a daily basis.

Thank you for your patience and understanding during this difficult time. Please do get in contact if you have any questions.

With my very best wishes
