- The government has removed the requirement to wear face coverings by law but expects and recommends that they are worn in enclosed and crowded spaces where you may come into contact with people you don't normally meet. We recommend parents wear face coverings at this event.
- The event will be timetabled one class at a time to reduce contacts.
- For Nursery and Reception, the event will be taking place both inside and outside the children's well ventilated classrooms.

We look forward to seeing you there!

Best wishes

Tijen Hassan
