Dear Parents

Enrichment clubs Autumn 2021

We are happy to inform you that we have an extensive range of exciting enrichment clubs available after school for your child to sign up to in the Autumn term, 2021. For the autumn term, all internal clubs will commence the week beginning **13 September 2021** until week ending **10 December 2021** (excluding half term and inset days). The clubs will begin straight after school at **3:10pm** and finish at **4:15pm**. Children should be collected in the meeting area by the school gates from the adult who runs the club.

We are keeping the charge for the upcoming academic year at **£5** per child per session, therefore the cost of each club for the autumn term will be **£60** (for **12 weeks**). The clubs on Thursday and Friday will be £55 as we have Learning Conversations on Thursday 21 October and an inset day on Friday 19 November. If your child is **Pupil Premium**, then the school will fund your child's place at one club. This reasonable charge is intended to fund resources required for these activities and also contribute to investing in the school in a variety of ways.

Internal clubs will be available to book and pay for, via a payment item, from the afternoon of **Monday 19 July 2021**. Please select payments, then 'shop' to access the payment item. Places will be allocated on a first come first served basis. **Please also bear in mind that these clubs are for the next academic year so you will need to look for clubs which are available for your child's year group from September, for example, if your child is currently in Year 1 then you should look at the clubs suitable for Year 2.** Please do not book your child a place in the club unless you are sure that they want to partake, as booking unwanted places may prevent another child from being successful in joining the club. We are unable to offer refunds should the club be booked in error. Once the club is full, you will no longer be able to view the payment on Parentmail, so in that case, please
