

Dear Parents,

Come Learn With Me: Autumn 2021

In line with the wider removal of COVID-19 restrictions throughout the country, we are so excited to invite you back into our school to our first Come Learn With Me event of the new academic year. This event is an opportunity for you to enjoy learning with your child and also to experience the curriculum in action!

- Parents should drop their children off as usual
- At 8.55am, parents should make their way down the main path to the round hall.
- At the end of the session, you will be released the same way you arrived.

PM sessions:

- Parents should arrive at 1.55pm and make their way down the main path to the round hall.
- At 3.00pm, the end of the session, parents will be able to take their children home with them.
- Those children who do not have parents at the session, will be taken back to their usual collection point.

Please also note the following organisational details to ensure safety for our children and smooth running of the event:

- Parents who are late arriving should enter via the main school office.
- All parents should sign the class register on arrival.
- Parents should use adult toilets only, and need to be accompanied by a staff member. They

should not take their own child to the toilet.

In order to ensure yourselves and our children are safe, the control measures for the Come Learn with Me event will be as follows:

- The government has removed the requirement to wear face coverings by law but expects and recommends that they are worn in enclosed and crowded spaces where you may come into contact with people you don't normally meet. We recommend parents wear face coverings at this event.
- The event will be timetabled one class at a time to reduce contacts.
- For Y1 - Y6, the event will be taking place in the round hall, a big, well ventilated space.

We look forward to seeing you there.

Kind regards

Tijen Hassan
