

Grange Park Primary School Year 4 Autumn 1 Spanish

Spanish: Transportes. Means of transport.

Grammar

1st and 2nd person singular of the verb IR (to go). **Voy, vas.**

Hace, hay and **está** as contractions to use when describing the weather.

Uses of **en** or **a** with means of transport.

Culture

Facts about public transport in Spain

Metro networks, buses and an impressive amount of trains make getting around cities and across the country very simple. Renfe is Spain's national rail company and one of the world's largest high-speed rail networks, second only to China. Trains travel at speeds of up to 310 km/h.
