

FREE SCHOOL MEALS

For parents of children who currently receive free school meals in Year 6 who will transfer to secondary school in September 2022:

Please follow the guidance below for free school meals regarding secondary transfer:

- Your child's free school meal entitlement will automatically transfer to your accepted secondary school in September 2022, you **do not** have to make a new application for free school meals for secondary transfer. **However, there are a few secondary schools in Enfield who have their own administration process for free school meals, they are:**

Aim North London
Ark John Keats
Oasis Academy Enfield
Oasis Academy Hadley
Wren Academy Enfield

If you have accepted a secondary school place at one of the above schools. To ensure your child receives their continued free school meal entitlement, please contact the school directly for advice on their process.

- **If you have accepted a secondary school place for your child in one of the neighbouring Boroughs.** For example, Barnet, Cheshunt (Hertfordshire), Haringey etc. To ensure your child receives their continued free school meal entitlement, please contact the school or the Local Authority where the school is located for advice on their process.
- When your child starts their new school in September 2022, if they do not receive their free school meal entitlement. Please speak to school as early in the term as possible, to let them know your child received free school meals at primary school and they will investigate this for you.
