- poder: ¿(Yo) puedo? (asking permission)
- ser: (yo) soy, (tú) eres
- en + month

Culture

Curiosities about the origin of birthdays that you did not know

The origin of birthdays dates back to the Egyptians. The tradition of pulling the ears comes from the fact that it was believed that longer ears would give wisdom to the person who was turning a year older. Finally, the happy birthday song, written and composed by two primary school teachers, and passed on to others since 1924.
