Culture

Breakfast (El Desayuno)	In Spain, breakfast (el desayuno) is the smallest meal of the day. It is typically light and more like a continental breakfast than anything else. Breakfast might include café con leche (strong coffee with hot, frothy milk), bollos (sweet rolls) with jam, toast with jam or mild cheese, or simply 'Maria' crackers dunked in hot milk. Some might enjoy a savoury breakfast of tomato on toast with olive oil and serrano ham. Generally, breakfast in Spain is eaten at home, before dashing off to work or school. However, you may see some workers duck into the closest cafeteria around 10 a.m. to enjoy a quick mid-morning coffee break.
