As you can see we have had to bring the 'Showcase' outside due to COVID restrictions. Please see below information which states the additional measures we are putting in place in line with our risk assessment:

- Parents should arrive at the school at the stated time above. The Showcase will begin shortly after the stated time to allow parents to walk to the correct location.
- When parents arrive, please follow the usual route to the playgrounds through the big green gates and down the slope. All parents should leave this way with their child.
- Parents must adhere to the social distancing requirements and socially distance with each other.
- As this is an outside event where there is ample space, face masks can be worn by parents if they choose to.

We look forward to seeing you at our Summer Showcase.

Best wishes

Tijen Hassan
