- W** Pupils will apply their skills with developing confidence as they grow in their ability to show integrity and self motivation.

## Vocabulary for Learning

**Attacker:** We are considered an 'attacker' when we or our team are in possession of the ball or in control of the ball. The aim of the game for the attackers is to score a goal.

**Defender:** We are considered a 'defender' when we are not in possession of the ball. The aim of the game for the defenders is to prevent the opposition from scoring a goal

**Possession:** is when we have physical control of the ball. This could be as an individual or when working as part of a team. It is when we have 'possession' that we can create the opportunity to score.

**Space:** is an open area on the pitch that is unoccupied by a defender or the defending team. The team in possession of the ball need to identify open spaces to move into to enable them to create opportunities to shoot.

## Sport Specific Vocabulary

**Intercepting:** is when a defender cuts off and prevents a pass from reaching the receiver.

**Shooting:** is when we hit the ball with our stick in an attempt to score a goal.

**Barrier:** When we receive a pass from a team member, we can lower our stick horizontal towards the ground making a barrier to control the ball.
