External clubs - Autumn 2021

Cooking - Smart Raspberry

Whether your child is a total kitchen novice or the next Jamie Oliver we encourage all abilities to try new ingredients and develop their skills. Our lessons include a variety of sweet and savoury recipes which the children get to take home along with a recipe card to make again. All ingredients, packaging and equipment are included.

**Drama, Movement, Art and Literacy Skills - Artz Kidz**

The Artz Kidz is a unique 'Arts' school specialising in particularly Drama, Movement, Literacy and Art work.

Yoga

Yoga - Yoga is for everyone- you're never too young (or too old)
to start. This club will help you to stretch and strengthen your bodies. It helps you to relax and concentrate and it's lots of FUN!

Dance & Acro Gym - Dee school

We, at Dee school of Dance offer classes in all styles of dance in the Enfield area for ages 3 and over. All staff are fully qualified with the International Dance Teachers Association (DTA) and are all DBS checked. With 100% exam pass rate we always welcome new students.

Acro Gym/Dance

Established since 1994 We at Dee School of Dance offer classes in all styles of dance in the Enfield area for age 3 and over. All staff are fully qualified with the International Dance Teachers Association (IDTA) and are all DBS checked. With100% exam pass rate we always welcome new students.

Curious maths

Children will be supported with communicating mathematically, learn how to develop resilience, be challenged to think and encouraged to have fun. This club will equip them with a deep understanding of mathematical concepts giving them a great platform for their SATs and secondary maths education.

Football

Our coaches are ready to help all children to develop and improve their football skills. You will learn spatial awareness, ball manipulation skills such as controlling the ball, dribbling and changing directions. As well as challenging the children to use these skills in team based matches.

Junior Scratch Coder

Using scratch block-based coding language, younger students learn the basics of computational thinking and put their creativity to the test creating their own video games and family.

Video Game Design

Turn your enthusiasm for gaming into real-world tech skills! This course will provide you with the tools to create your own video games to play on the web or your smartphone.
