Dear Parents

Re: Parent transition workshop for year 6 moving on to secondary school: Monday 13 June 2022

On Monday 13 June at 9am, Jacqui Summers - Senior Parent Support Advisor at Parenting Support Service (Early Help Family Hub) will be running a workshop for parents that explores transition to secondary school. This session is a practical guide for parents through this, sometimes difficult, time. Jacqui will be exploring some of the anxieties and excitement around this next phase in the lives of the Year 6's, and how, as parents, we can support our children.

Parents attending the workshop should drop their child off as usual and then make their way to the **round hall** (by the main entrance).

Best wishes

Rebecca Neale
Deputy Headteacher
