**La tomatina** The origins of this mass tomato battle date back to a fight amongst children in 1945 and it has been celebrated every year since then.

The 'Tomatina' is held on the last Wednesday in August in the town of Buñol. This unusual *fiesta* brings together crowds of people every year, ready to have a great time of laughter and fun, hurling tomatoes at each other. Participants at this joyful pitched battle have a wonderful time throwing tomatoes at anything that moves.
