

Nature Club

Calling all Y1 - 4s!

Come along to our exciting new enrichment club held on a Monday (3:10 - 4:15pm), where we will use the outdoors to play, explore and connect with our environment and nature. Along with lots of different activities in the open, fresh air, we will create natural art photo frames, go on nature hunts and make rainbow wind chimes. We will also use the outdoor space to take part in mindfulness activities aimed to support our mental health and well being. It costs £5 per session and you can book your place via a payment item on ParentMail.
