What are the hazards?	Who is at risk and How would they be harmed?	<p style="text-align: center;"><b>CONTROLS</b></p> <p style="text-align: center;">What is currently done to reduce / control the risk?</p>	<p style="text-align: center;">What further action do you need to consider to control the risks?</p> <p style="text-align: center;">-What more can be done to reduce risk?</p>	Action by
<b>PART 1 – GENERAL RISK ASSESSMENT FOR SCHOOL</b>				
Increased risk of infection due to mutations of the Coronavirus.	All staff, pupils and others may be at greater risk of contracting the virus due to variant strains	<p>All mitigation measures listed throughout the risk assessment are still relevant. The increased chance of infection highlights the importance of adherence to control measures. Where practicable consider reviewing controls and monitoring/checks on behaviours and controls taking place.</p> <p>To safeguard the health of the teaching workforce and keep as many staff, pupils and students in school and college as possible, the Government have made <a href="#">rapid lateral flow tests available</a> to schools and colleges.</p> <p><a href="#">Schools COVID-19 operational guidance - GOV.UK (www.gov.uk)</a></p>	Staff should undertake twice weekly home tests whenever they are on site until the end of September, when this will also be reviewed.	Senior Leadership Team.
Getting or spreading coronavirus by not washing hands or not washing them adequately	<p>Workers</p> <p>Customers</p> <p>Contractors</p> <p>Drivers coming to your school/centre</p> <p>Drivers going out for your school/centre</p> <p>Visitors</p>	<p>Follow the HSE guidance on cleaning, hygiene and hand sanitiser</p> <p><a href="#">HSE - Coronavirus/Cleaning/Handwashing &amp; Using Hand Sanitiser</a></p> <p><a href="#">HSE - Coronavirus/Cleaning/Bathrooms-toilets-washbasins</a></p> <ul style="list-style-type: none"> <li>- Provide water, soap and drying facilities at wash stations</li> <li>- Provide information on how to wash hands properly and display posters</li> <li>- Based on the number of workers and the number of people who come into your workplace decide: <ul style="list-style-type: none"> <li>➤ how many wash stations are needed</li> <li>➤ where wash stations need to be located</li> </ul> </li> </ul> <p>You may already have enough facilities</p>	<ul style="list-style-type: none"> <li>- Put in place monitoring and supervision to make sure people are following controls</li> <li>- Put signs up to remind people to wash their hands</li> <li>- Provide information to your workers about when and where they need to wash their hands</li> <li>- Identify if and where additional hand washing facilities may be needed</li> </ul>	Senior Leadership Team.

**COVID-19 Risk Assessment for Schools**  
Grange Park Primary School

		<ul style="list-style-type: none"> <li>- Provide hand sanitiser for the occasions when people can't wash their hands</li> <li>- There's a legal duty to provide welfare facilities and washing facilities for visiting drivers</li> <li>- You should talk to managers at any sites your drivers are visiting to ensure they are provided with hand washing facilities</li> </ul>	<ul style="list-style-type: none"> <li>- If people can't wash hands, provide information about how and when to use hand sanitiser</li> <li>- Identify how you are going to replenish hand washing/sanitising facilities</li> <li>- Make sure people are checking their skin for dryness and cracking and tell them to report to you if there is a problem</li> </ul>	
Getting or spreading coronavirus in common use high traffic areas such as canteens, corridors, rest rooms, toilet facilities, entry/exit points to facilities, lifts, changing rooms and other communal areas	Workers Customers Visitors Contractors Drivers	<p>Careful monitoring and procedures for:</p> <ul style="list-style-type: none"> <li>➤ areas where people will congregate, e.g. rest rooms, canteens, changing rooms, reception, meeting rooms, smoking areas, tea points, kitchens etc leave non-fire doors open to reduce the amount of contact with doors and also potentially improve workplace ventilation fire doors should normally be closed; HOWEVER; WHERE AREAS ARE OCCUPIED- providing staff are briefed to only keep open whilst area/vicinity is in use, there is robust monitoring on procedure, the Fire Risk Assessment is amended and records of briefing to staff maintained, then fire doors can be kept open to improve ventilation- In addition please note that for final fire exit doors (doors that lead to the outside world) there is no requirement to have these closed for purposes of fire precautions.</li> <li>➤ areas where there are pinch points e.g. narrow corridors, doorways, customer service points, storage areas</li> <li>➤ areas and equipment where people will touch the same surfaces, such as in kitchens, e.g. kettles, shared condiments etc</li> <li>➤ areas and surfaces that are frequently touched but are difficult to clean</li> <li>➤ communal areas where air movement may be less than in other work areas, e.g. kitchens with no opening windows or mechanical ventilation</li> </ul>	<ul style="list-style-type: none"> <li>- Put in place monitoring and supervision to make sure people are following controls put in place, e.g. following hygiene procedures, washing hands, following one-way systems, fire door controls</li> <li>- Near-miss reporting may also help identify where controls cannot be followed, or people are not doing what they should</li> </ul> <p>Government guidance now states "Social distancing measures have now ended in the workplace and it is no longer necessary for the government to instruct people to work from home."</p> <p>Employers should be able to explain the measures they have in place to keep CEV staff safe at work. The</p>	Senior Leadership Team.

COVID-19 Risk Assessment for Schools

Grange Park Primary School

		<p>Agree the combination of controls you will put in place to reduce the risks. This can include but is not limited to:</p> <ul style="list-style-type: none"> <li>➤ limiting the number of people in rooms e.g. stagger breaks, have maximum occupancy numbers for meeting rooms, consider meeting in bigger spaces</li> <li>➤ reorganise facilities in communal areas such as spacing out tables in meeting rooms, canteens etc</li> <li>➤ where possible put in place physical impervious barriers (e.g. Perspex in reception areas) to reduce contact</li> <li>➤ increase the use of online meeting facilities, even for people working in the same building, to reduce the number of people moving around</li> <li>➤ put in place one-way systems in corridors or regularly used pedestrian traffic routes to manage the flow of people moving around workplaces</li> <li>➤ provide lockers for people to keep personal belongings in so that they aren't left in the open</li> <li>➤ keep surfaces, such as kitchen sides and tables, in communal areas clear for people to sit and eat at to make cleaning easier</li> <li>➤ provide washing facilities and hand sanitiser at accessible places near to where people will have contact with high traffic communal areas, e.g. sanitiser/washing facilities at the entrance/exit to canteens</li> <li>➤ put signs up to remind people to wash and sanitise hands and not touch their faces</li> <li>➤ put in place cleaning regimes to make sure high traffic communal areas are kept clean – consider frequency, level of cleaning and who should be doing it</li> </ul>	<p>Health and Safety Executive (HSE) has published guidance on <a href="#">protecting vulnerable workers</a>, including advice for employers and employees on <a href="#">how to talk about reducing risks in the workplace</a>.</p>	
<p>Getting or spreading coronavirus by not cleaning surfaces, equipment and workstations</p>	<p>Workers Customers Visitors Contractors Drivers coming to your school/centre</p>	<p>Use the guidance on cleaning and hygiene during the coronavirus outbreak</p> <p><a href="#">HSE - Coronavirus/Cleaning/Handwashing &amp; Using Hand Sanitiser</a></p> <p><a href="#">HSE - Coronavirus/Cleaning/Bathrooms-toilets-washbasins</a></p> <p>- Identify surfaces that are frequently touched and by many people (often common areas), e.g. handrails, door handles, vehicle door handles (inside and outside), shared equipment etc and specify the frequency and level of cleaning and by whom</p>	<p>- Put in place monitoring and supervision to make sure people are following controls, i.e. are implementing the cleaning regimes implemented</p> <p>- Provide information telling people who needs to clean and when</p>	<p>Senior Leadership Team.</p>

**COVID-19 Risk Assessment for Schools**

Grange Park Primary School

	<p>Drivers going out for your school/centre.</p>	<ul style="list-style-type: none"> <li>- Train people how to put on and remove personal protective equipment (PPE) that is used for normal work hazards and how to keep it clean</li> <li>- Reduce the need for people to move around your site as far as possible. This will reduce the potential spread of any contamination through touched surfaces</li> <li>- Avoid sharing work equipment by allocating it on personal issue or put cleaning regimes in place to clean between each user</li> <li>- Identify where you can reduce the contact of people with surfaces, e.g. by leaving open doors that are not fire doors, providing contactless payment, using electronic documents rather than paperwork</li> <li>- Identify other areas that will need cleaning to prevent the spread of coronavirus, e.g. canteens, rest areas, welfare facilities, vehicles and specify the frequency and level of cleaning and who will do it</li> <li>- Identify what cleaning products are needed (e.g. surface wipes, detergents and water etc) and where they should be used, e.g. wipes in vehicles, water and detergent on work surfaces etc</li> <li>- Keep surfaces clear to make it easier to clean and reduce the likelihood of contaminating objects</li> <li>- Provide more bins and empty them more often</li> <li>- Provide areas for people to store personal belongings and keep personal items out of work areas</li> <li>- clean things like reusable boxes regularly</li> <li>- Put in place arrangements to clean if someone develops symptoms of coronavirus at work.</li> </ul>	<ul style="list-style-type: none"> <li>- Provide instruction and training to people who need to clean. Include information on: <ul style="list-style-type: none"> <li>➤ the products they need to use</li> <li>➤ precautions they need to follow</li> <li>➤ the areas they need to clean</li> </ul> </li> <li>- Identify how you are going to replenish cleaning products</li> </ul>

		<a href="#">GOV.UK / Government / Publication COVID-19-Decontamination in non-healthcare Settings</a>		
<p>Mental health and wellbeing affected through isolation or anxiety about coronavirus</p> <p>Potential for Stress or Anxiety caused by fears associated with the virus, isolation, potential bereavement situations or other effects from the changes to living and working.</p>	All staff and Workers- anxiety stress or other mental health issues	<p>Follow guidance on stress and mental health</p> <p><a href="#">GOV.UK - Extra mental health support for pupils and Teachers</a></p> <ul style="list-style-type: none"> <li>- Have regular keep in touch meetings/calls with people working at home to talk about any work issues</li> <li>- Talk openly with workers about the possibility that they may be affected and tell them what to do to raise concerns or who to go to so they can talk things through</li> <li>- Involve workers in completing risk assessments so they can help identify potential problems and identify solutions</li> <li>- Keep workers updated on what is happening so they feel involved and reassured</li> <li>- Discuss the issue of fatigue with employees and make sure they take regular breaks, are encouraged to take leave, set working hours to ensure they aren't working long hours</li> </ul>	<p>Further advice and support</p> <ul style="list-style-type: none"> <li>- Share information and advice with workers about mental health and wellbeing</li> <li>- Consider an occupational health referral if personal stress and anxiety issues are identified</li> <li>- Where you have an employee assistance programme encourage workers to use it to talk through supportive strategies</li> </ul>	Senior Leadership Team.
Contracting or spreading the virus by not social distancing	<p>Workers</p> <p>Customers</p> <p>Contractors</p> <p>Delivery drivers to/from your workplace</p> <p>Visitors</p>	<p>- Identify and consider how you can or improve on keeping people apart</p> <p>This may include:</p> <ul style="list-style-type: none"> <li>➤ using marker tape on the floor</li> <li>➤ one-way systems</li> <li>➤ holding meetings virtually rather than face-to-face</li> <li>➤ limiting the number of people on site at one time</li> <li>➤ having allocated time slots for customers</li> <li>➤ rearrange work areas and tasks</li> <li>➤ using empty spaces in the building for additional rest break areas where safe to do so</li> <li>➤ implementing 'drop zones' for passing materials between people</li> </ul>	<p>- Put in place arrangements to monitor and supervise</p> <p>- Provide information, instruction and training to people to understand what they need to do</p> <p>- Provide signage and ways to communicate to non-employees what they need to do</p>	Senior Leadership Team.

**COVID-19 Risk Assessment for Schools**

Grange Park Primary School

		<ul style="list-style-type: none"> <li>➤ providing more parking areas or controlling parking spaces</li> <li>➤ providing facilities to help people walk or cycle to work, e.g. bike racks</li> <li>➤ minimising contact at security offices for drivers</li> </ul> <p>- Identify where it isn't possible to identify other physical measures to separate people. This can include:</p> <ul style="list-style-type: none"> <li>➤ physical screens and splash barriers – if they are used in vehicles, they must be safe, not impair visibility and will probably need approval from the vehicle manufacturer to ensure they don't compromise safety</li> <li>➤ place markers on the floor (e.g. in lifts) to indicate where people should stand and the direction, they should face</li> <li>➤ reducing the numbers of people using lifts - and where physical measures can't be used then put in place other measures to protect people. This can include:             <ul style="list-style-type: none"> <li>➤ enhanced cleaning regimes</li> <li>➤ increase in hand washing</li> <li>➤ limiting the amount of time people spend on the task</li> <li>➤ placing workers back-to-back or side-by-side rather than face-to-face when working</li> <li>➤ 'cohorting' work teams so they consistently work together</li> <li>➤ improving ventilation</li> </ul> </li> </ul> <p>Consider using signage to remind people of any procedures you may have that mitigate close contact e.g., keep one way notices etc.</p> <p>(Please note – personal protective equipment is needed in a limited number of workplaces to protect from the risk of coronavirus)</p>		
<p>Teachers working from home and pupils using DSE equipment.</p>	<p>Staff working from home and pupils studying from home.</p>	<p>For Schools with access to Schools Health &amp; Safety Team Service, refer to the Schools Hub advice sheets; "DSE Self-Assessment – COVID-19 – Sheet No. 4 and Working from Home for Schools – COVID-19 CBT Advice Sheet".</p>	<p>Further information on how to set up a workstation for short duration home working and also what to do for long</p>	<p>Senior Leadership Team.</p>

**COVID-19 Risk Assessment for Schools**

Grange Park Primary School

<p>Note: This may have ceased or reduced in many cases. However, where home working has been decided upon these controls etc. should still be followed.</p>	<p>Musculoskeletal disorders as a result of using DSE at home for a long period of time</p>	<p>Follow guidance on display screen equipment in the HSE Protect homeworkers page</p> <p><a href="#">HSE - Protect home workers (Coronavirus)</a></p> <p><a href="#">HSE - Coronavirus/Working Safely / Protect People</a></p> <p>There is no increased risk for people working at home temporarily but if this arrangement becomes long term the risks should be assessed</p> <ul style="list-style-type: none"> <li>- For all people working at home using display screen equipment (DSE) put in place information and training on how to protect themselves, e.g. take regular breaks, stretching exercises, set the equipment up properly</li> <li>- For people working at home longer term complete a DSE assessment with them and identify what equipment is needed to allow them to work safely at home</li> <li>- Schedule or build in breaks of minimum of 5 minutes every hour for pupils studying.</li> </ul>	<p>term home working can be found on HSE's</p> <p><a href="#">HSE - Protect home workers (Coronavirus)</a></p> <p>It is important to consider breaks from this work. 5 minutes every hour is better than 15 minutes every 2 hours. Consideration to how this can be scheduled in could include actual separate breaks or in lesson time outs.</p>	
<p>Poor workplace ventilation leading to risks of coronavirus spreading</p> <p><a href="#">Chartered Institute of Building Services Engineers (CIBSE) - Emerging from lockdown</a></p> <p><a href="#">Chartered Institute of Building Services</a></p>	<p>Workers</p> <p>Customers</p> <p>Contractors</p>	<p>Please see COVID Advice – COVID-19 Schools Advice No. 5 – Ventilation and Air Conditioning Version 2.</p> <p>Follow guidance on heating ventilation and air conditioning (HVAC)</p> <p><a href="#">Chartered Institute of Building Services Engineers (CIBSE) Coronavirus - SARS and Heating Ventilation and Air Conditioning Systems (HVAC)</a></p> <ul style="list-style-type: none"> <li>- Identify if you need additional ventilation to increase air flow in all or parts of your workplace</li> <li>- Fresh air is the preferred way of ventilating your workplace so opening windows and doors (fire doors should normally be closed; HOWEVER; WHERE AREAS ARE OCCUPIED- providing staff are briefed to only keep open whilst area/vicinity is in use, there is robust monitoring on procedure, the Fire Risk Assessment is amended</li> </ul>	<ul style="list-style-type: none"> <li>- maintain air circulation systems in line with manufacturers' recommendations</li> </ul> <p>The Government are looking at supplying CO2 monitors for Schools. Once there is clarity on the provision and further advice on their use is available, this will be updated.</p>	<p>Senior Leadership Team.</p>

**COVID-19 Risk Assessment for Schools**

Grange Park Primary School

<p><a href="#">Engineers (CIBSE) - COVID-19</a></p>		<p>and records of briefing to staff maintained, then fire doors can be kept open to improve ventilation) can help</p> <p>- If you need additional ventilation provide it, e.g. mechanical ventilation, desk fans, air movers etc</p> <p>- Switch heating ventilation and air conditioning (HVAC) systems to drawing in fresh air where they can be, rather than recirculating air</p>		
<p>Clinically Extremely Vulnerable (CEV) Staff</p> <p>Previously designated as being at increased risk of infection and complications.</p> <p><a href="#">Guidance on protecting people who are clinically extremely vulnerable from COVID-19 - GOV.UK (www.gov.uk)</a></p>	<p><b>WHO</b> Staff that are considered CEV</p> <p><b>HOW</b> Those with underlying health conditions could be factors that can affect people's vulnerability or is a 'risk factor' in relation to COVID-19.</p>	<p>As restrictions have been eased following the move to Step 4 of the Government's roadmap, they are advising clinically extremely vulnerable people, as a minimum, to follow the same guidance as everyone else. It is important that everyone adheres to this guidance.</p> <p>Individuals may choose to limit the close contact they have with those they do not usually meet with in order to reduce the risk of catching or spreading COVID-19, particularly if they are clinically extremely vulnerable and if COVID-19 disease levels in the general community are high. It is important to respect and be considerate of those who may wish to take a more cautious approach as restrictions are lifted.</p> <p>For Schools with access to Schools Health &amp; Safety Team Service, they can carry out the Individual COVID-19 Risk Assessment for those at increased risk and for New and Expectant Mothers Briefing.</p>	<p>CEV staff who are at a higher risk of becoming seriously ill if they were to catch COVID-19.</p> <p>Schools should think particularly carefully about additional precautions they might wish to continue to take.</p> <p>Headteachers/Managers should engage in discussions with CEV staff - consider risk factors and perception of the staff member. Where there is agreement that the risk factors can be mitigated with the existing control measures in the risk assessment to everyone's satisfaction no change is needed.</p>	<p>Senior Leadership Team.</p>
<p>Clinically Extremely Vulnerable (CEV) <b>Children</b></p>	<p>Parents or guardians for children that are clinically extremely vulnerable will have</p>	<p>All clinically extremely vulnerable (CEV) children and young people should attend their education setting unless they are one of the very small number of children and young people under paediatric or other specialist care who have been advised by their clinician or other specialist not to attend.</p>	<p>Please monitor all Government guidance.</p>	<p>Senior Leadership Team.</p>

**COVID-19 Risk Assessment for Schools**

Grange Park Primary School

<p><a href="#">GOV.UK - Government Publications - Actions for Schools during the coronavirus outbreak / Schools Operational Guidance</a></p>	<p>received a letter and advice from a doctor/clinician</p>			
<p>Staff with COVID-19 symptoms and potentially spreading to staff and others</p>	<p>Virus could spread to others from those with symptoms</p>	<p>Staff who develop symptoms of COVID-19 should stay at home and self-isolate immediately. The following link describes when to self-isolate and when not to self-isolate. <a href="#">When to self-isolate and what to do - Coronavirus (COVID-19) - NHS (www.nhs.uk)</a> The NHS advice states: “How long to self-isolate If you test positive, your self-isolation period includes the day your symptoms started (or the day you had the test, if you did not have symptoms) and the next 10 full days. You may need to self-isolate for longer if you get symptoms while self-isolating or your symptoms do not go away. Read more about <a href="#">how long to self-isolate.</a>”</p>	<p>Staff who become symptomatic should <a href="#">self-isolate for 10 days</a>.</p> <p>If someone a staff member lives with has symptoms of COVID-19, or has tested positive for COVID-19, they may not need to self-isolate. <b>Please read</b> the explanation from the link where criteria is clearly laid out.</p> <p><a href="#">When to self-isolate and what to do - Coronavirus (COVID-19) - NHS (www.nhs.uk)</a></p>	<p>Senior Leadership Team.</p>
<p>Exposure to workplace hazards because it isn't possible to get normal PPE</p>	<p>Workers that may be in situations where they are at increased risk of exposure and other general</p>	<p>Follow guidance from the HSE <a href="#">Using PPE at work during the coronavirus (COVID-19) pandemic (hse.gov.uk)</a>  <a href="#">HSE - Respiratory-Protective-Equipment/Fit-Testing-Basics</a></p>	<p>Put systems in place to keep PPE supplies under review so you can take action if necessary before you run out</p>	<p>Senior Leadership Team.</p>

**COVID-19 Risk Assessment for Schools**

Grange Park Primary School

<p>Note: PPE will still need to be used in settings not related to Coronavirus e.g. operating machinery</p> <p><a href="#">HSE - Respiratory-Protective-Equipment/Fit-Testing-Basics</a></p> <p><a href="#">HSE - Coronavirus / PPE Face Masks</a></p>	<p>precautions are not adequate may require PPE or there may be a requirement for PPE as a control measure in certain settings not relating to Coronavirus.</p>	<p><a href="#">HSE - Coronavirus / PPE Face Masks</a></p> <p>Face coverings and masks help control the risk of Coronavirus. However, they are not designated as PPE which is equipment of a higher standard for specified settings. It may be that a PPE standard face mask is required if so, it should meet the requirements of FFP3.</p> <p>Generally, you will be aware of the other workplace situations where PPE is required that is not related to Coronavirus.</p> <p>- Where required, ensure that those using RPE are face-fit tested. <a href="#">HSE - Respiratory-Protective-Equipment/Fit-Testing-Basics</a></p> <p>- Where supplies are difficult to obtain follow the HSE guidelines and put in place controls suitable to your workplace <a href="#">HSE - Supply issues with PPE and working safely during the Coronavirus pandemic</a></p> <p>(Please note – face coverings are not PPE.</p> <p>PPE is predominately for specified tasks e.g., using machinery.</p> <p>Where it is used for risk reduction in the case of Coronavirus it would be for specific use – in general healthcare settings ordinary face masks are considered adequate.</p>

<p>Mental health and wellbeing affected through isolation or anxiety about coronavirus</p> <p>Potential for Stress or Anxiety caused by fears associated with the virus, isolation, potential bereavement situations or other effects from the changes to living and working.</p>	<p>All staff and Workers- anxiety stress or other mental health issues.</p>	<p>Follow guidance on stress and mental health <a href="#">GOV.UK - Extra mental health support for pupils and Teachers</a></p> <ul style="list-style-type: none"> <li>- Have regular keep in touch meetings/calls with people working at home to talk about any work issues</li> <li>- Talk openly with workers about the possibility that they may be affected and tell them what to do to raise concerns or who to go to so they can talk things through</li> <li>- Involve workers in completing risk assessments so they can help identify potential problems and identify solutions</li> <li>- Keep workers updated on what is happening so they feel involved and reassured</li> <li>- Discuss the issue of fatigue with employees and make sure they take regular breaks, are encouraged to take leave, set working hours to ensure they aren't working long hours</li> </ul>	<p>Further advice and support</p> <ul style="list-style-type: none"> <li>- Share information and advice with workers about mental health and wellbeing</li> <li>- Consider an occupational health referral if personal stress and anxiety issues are identified</li> <li>- Where you have an employee assistance programme encourage workers to use it to talk through supportive strategies</li> </ul>	<p>Senior Leadership Team.</p>
<p>Moving around, evacuation and use of the building by staff or pupils that may be affected by COVID-19 arrangements e.g., one-way systems</p>	<p>Staff and pupils</p> <p><b>HOW</b> Disability might impact on how staff can move around the building or use the adjusted workplace</p>	<p>Headteachers/Managers to discuss with and consider needs of staff on how the adjustments in the school will impact on them or might pose a new or different risk to them.</p> <p>Considering whether you need to put in place any particular measures or reasonable adjustments to take account of duties under the equalities legislation. Carry out or employee needs risk assessments if appropriate.</p> <p>Please consider evacuation procedure for such staff that might be needed in an emergency.</p>	<p>Put systems in place so people know when to notify you that they fall into one of these categories, e.g. they start chemotherapy or are pregnant</p>	<p>Senior Leadership Team.</p>
<p>Staff with COVID-19 symptoms and potentially spreading to staff and others</p>	<p>Virus could spread to others from those with symptoms</p>	<p>Staff who develop symptoms of COVID-19 should stay at home and self-isolate immediately.</p> <p>The following link describes when to self-isolate and when not to self-isolate. <a href="#">When to self-isolate and what to do - Coronavirus (COVID-19) - NHS (www.nhs.uk)</a></p>	<p>If someone a staff member lives with has symptoms of COVID-19, or has tested positive for COVID-19, they may not need to self-isolate. Please read the explanation from</p>	<p>Senior Leadership Team.</p>

COVID-19 Risk Assessment for Schools  
Grange Park Primary School

		<p>The NHS advice states:</p> <p>“How long to self-isolate- If you test positive, your self-isolation period includes the day your symptoms started (or the day you had the test, if you did not have symptoms) and the next 10 full days. You may need to self-isolate for longer if you get symptoms while self-isolating or your symptoms do not go away. Read more about <a href="#">how long to self-isolate.</a>”</p>	<p>the link where criteria is clearly laid out.</p> <p><a href="#">When to self-isolate and what to do - Coronavirus (COVID-19) - NHS (www.nhs.uk)</a></p>	
<p>Getting or spreading coronavirus by not washing hands or not washing them adequately</p>	<p>Staff</p> <p>Pupils</p> <p>Contractors</p> <p>Visitors</p> <p>Drivers</p>	<p>Follow the HSE guidance on cleaning, hygiene and hand sanitiser</p> <p><a href="#">HSE - Coronavirus/Cleaning/Handwashing &amp; Using Hand Sanitiser</a></p> <p><a href="#">HSE - Coronavirus/Cleaning/Bathrooms-toilets-washbasins</a></p> <p>- Provide water, soap and drying facilities at wash stations</p> <p>Hands should be washed for 20 secs with soap and running water, or use hand sanitiser where this is not readily available.</p> <p>- Provide information on how to wash hands properly and display posters</p> <p>Ensure that pupils clean their hands regularly, including when they arrive at school, when they return from breaks, when they change rooms and before and after eating.</p> <p>Avoid touching people, surfaces and objects where possible and regular handwashing.</p> <p>Based on the number of staff and pupils decide:</p> <ul style="list-style-type: none"> <li>➤ how many wash stations are needed</li> <li>➤ where wash stations need to be located</li> </ul> <p>You may already have enough facilities</p>	<p>Put in place monitoring and supervision to make sure pupils and staff are following controls</p> <p>- Put signs up to remind people to wash their hands</p> <p>- Provide information to your workers about when and where they need to wash their hands</p> <p>- Identify if and where additional hand washing facilities may be needed</p> <p>- If people can't wash hands, provide information about how and when to use hand sanitiser</p> <p>- Identify how you are going to replenish hand washing/sanitising facilities</p> <p>- Make sure people are checking their skin for dryness and cracking</p>	<p>Senior Leadership Team.</p>

**COVID-19 Risk Assessment for Schools**  
Grange Park Primary School

		<ul style="list-style-type: none"> <li>- Provide hand sanitiser for the occasions when people can't wash their hands</li> <li>- There's a legal duty to provide welfare facilities and washing facilities for visiting drivers</li> </ul>	and tell them to report to you if there is a problem	
<p><b>Potential transmission of virus from working within enclosed spaces, including</b></p> <p><b>Reception Office</b> <b>Classroom</b> <b>Staff Kitchen</b> <b>areas/Staff rooms</b> <b>Printers</b> <b>Meeting rooms</b> <b>Toilets</b></p>	Staff in enclosed areas could be exposed to Coronavirus	<p>Where there are Staff and Pupil Individual Risk Assessments these should be reviewed in consultation with the member of staff, or parents in the case of the pupil, in light of the information and circumstances regarding COVID-19.</p> <p>The Government no longer recommend that it is necessary to keep children in consistent groups ('bubbles'). This means that bubbles will not need to be used in schools from the autumn term.</p> <p>Outbreak Management Plans to cover the possibility that in some local areas it may become necessary to reintroduce 'bubbles' for a temporary period, to reduce mixing between groups.</p> <p>Consider Classrooms – desks placed side to side and front facing where suitable</p> <p>Enhanced and regular cleaning of school/classrooms. Removal of any unnecessary items from classroom. Removal of soft furnishings, soft toys that are hard to clean- where possible. Regular cleaning of outdoor play equipment.</p> <p>Premises Staff should carry out their usual health and safety checks (i.e., fire safety checks, regular flushing regime) to ensure the building remains safe.</p> <p>Consider limiting the number of people in rooms so that e.g. stagger breaks, have maximum occupancy numbers for meeting rooms. Hold meetings in bigger rooms.</p> <p>Reorganise facilities in communal areas such as spacing out tables in meeting rooms, canteens etc where possible</p>	<p>Put in place monitoring and supervision to make sure people are following controls put in place, e.g. following hygiene procedures, washing hands, following one-way systems</p> <p>Put in place monitoring and supervision to make sure people are following controls, e.g. are implementing the cleaning regimes implemented</p> <p>Discuss cleaning regime with cleaners.</p> <p>Check capacity of cleaning staff is adequate to enable enhanced cleaning regime.</p> <p>Ensure that soap, sanitiser and paper towels are checked and are replenished regularly</p> <p>Provide information telling people who needs to clean and when</p>	Senior Leadership Team.

**COVID-19 Risk Assessment for Schools**

Grange Park Primary School

		<p>Where possible put in place physical impervious barriers (e.g. Perspex in reception areas) to reduce contact</p> <p>Fixed/standalone sanitisers stations or containers of hand sanitiser will be set up at various locations including entry and exit points.</p> <p>If possible open windows to ventilate rooms/corridors.</p> <p>Toilets - Maintain hot water and soap at wash hand basins.</p> <p>Consider reducing face to face meetings where possible and use other digital/remote means.</p> <p>Using back-to-back or side-to-side working (rather than face-to-face) where possible.</p> <p>Access classroom via outside door if possible,</p> <p>Hand washing on entering all classrooms to have soap and sanitiser. Wipes and hand sanitisers available in class and pupils reminded to clean/wash their hands frequently.</p> <p>Resources that are shared between classes or, such as sports, art and science equipment should be cleaned frequently and meticulously when and where possible</p> <p>During assemblies, classes sit apart where possible, space to be well ventilated.</p> <p>If parents are invited into the school, consider the size of the space used e.g. use halls or outside where possible rather than classrooms. Encourage parents to wear face coverings if in a crowded indoor space. Ensure space is well ventilated.</p>	<p>Provide instruction and training to people who need to clean. Include information on:</p> <ul style="list-style-type: none"> <li>➤ the products they need to use</li> <li>➤ precautions they need to follow</li> <li>➤ the areas they need to clean and how often</li> </ul> <p>Identify how you are going to replenish cleaning products</p> <p>Additional support for SEND and children with challenging behaviour may need to be considered.</p> <p>Frequently cleaning and disinfecting objects and surfaces, play equipment that are touched regularly particularly in areas of high use such as door handles, light switches, etc. using appropriate cleaning products and methods.</p> <p>Consider putting in place one-way systems in corridors or regularly used pedestrian traffic routes to manage the flow of people moving around the school</p> <p>Consider use of shared staff spaces to help distance staff. Minimise use of staff rooms but ensure sufficient rest breaks for staff.</p>	
--	--	---	--	--

COVID-19 Risk Assessment for Schools

Grange Park Primary School

			<p>Printers - social distancing if possible, Cleaning wipes available at printers for touch points.</p> <p>No unnecessary equipment to be brought into school. Pencil cases to be provided for pupils.</p> <p>Passing briefly in the corridor or playground is low risk, but avoid creating busy corridors, entrances and exits where possible.</p>	
Poor workplace ventilation leading to risks of coronavirus spreading	<p>Workers</p> <p>Customers</p> <p>Contractors</p>	<p>Please see COVID Advice – COVID-19 Schools Advice No. 5 – Ventilation and Air Conditioning Version 2.</p> <p>Follow HSE guidance on heating ventilation and air conditioning (HVAC) <a href="#">HSE - Coronavirus / Equipment &amp; Machinery / Air-Conditioning &amp; Ventilation</a></p> <p>Identify if you need additional ventilation to increase air flow in all or parts of the school</p> <p>Fresh air is the preferred way of ventilating your workplace so opening windows and doors (fire doors should normally be closed; HOWEVER; WHERE AREAS ARE OCCUPIED- providing staff are briefed to only keep open whilst area/vicinity is in use, there is robust monitoring on procedure, the Fire Risk Assessment is amended and records of briefing to staff maintained, then fire doors can be kept open to improve ventilation)</p> <p>If you need additional ventilation provide it, e.g. mechanical ventilation, desk fans, air movers etc</p> <p>Switch heating ventilation and air conditioning (HVAC) systems to drawing in fresh air where they can be, rather than recirculating air</p>	<p>- maintain air circulation systems in line with manufacturers' recommendations</p> <p>The Government are looking at supplying CO2 monitors for Schools. Once there is clarity on the provision and further advice on their use is available, COVID risk assessment will be updated.</p>	<p>Senior Leadership Team.</p>

Grange Park Primary School

		<a href="#">Chartered Institute of Building Services Engineers (CIBSE) Coronavirus - SARS and Heating Ventilation and Air Conditioning Systems (HVAC)</a>		
Potential transmission of virus from pupils presenting complex needs or challenging behaviours (e.g. spitting and biting)	Staff and other pupils	Consider what measures are needed to manage behaviour and/or personal protective equipment that might be needed.	Carryout individual pupil risk assessment where appropriate to support Covid 19 control measures.	Senior Leadership Team.
Potential transmission of virus from Welfare office	Welfare Staff and pupils	Staff to adhere to infection control policy.  Regular medication protocols to be followed.  Washing facility and sanitisers available in the welfare room.  Staff to frequently wash their hands.  Avoid/reduce close contact with pupils where possible.  Use face mask/gloves where appropriate or close contact is unavoidable.		Senior Leadership Team.
Potential transmission of virus from desks, monitors, keyboards and mouse	All	Desks to be located 2 metres apart if possible.  If appropriate, staff to be provided with their own portable keyboard and mouse for use (take with them to use at whichever desk is made available) or clean between use by different users.  Clear desk policy will be robustly applied so as to enable effective cleaning  Enhanced cleaning regime - including desks every night.		Senior Leadership Team.

**COVID-19 Risk Assessment for Schools**

Grange Park Primary School

		<p>Cleaning wipes available on each desk to clean desks and equipment as needed before and after use desk and throughout day as needed</p> <p>Regular handwashing by staff and pupils or use a sanitiser if not near a wash hand basin.</p>		
Kitchen Operations/food preparation	Kitchen Staff	<p>School kitchens can continue to operate, but must comply with <a href="https://www.gov.uk/government/publications/covid-19-for-food-businesses">GOV.UK / Government Publications / COVID-19 for food businesses</a></p>	<p>Online refresher training for all staff including food hygiene for kitchen staff</p> <p>Consistent monitoring of staff absence because of covid-19 symptoms/contact to ensure prompt return to work.</p>	Senior Leadership Team.
Potential transmission of virus during lunch/play breaks / food served in the dining hall	Staff and pupils	<p>Separate entry and exits to the dining hall where possible with one way in and out. Mark out queuing arrangements.</p> <p>Pupils encouraged to dispose of their left- over food in the bins.</p> <p>Bins provided at various locations in the dining hall.</p> <p>Pupils will be supervised as normal.</p>		
Handling Deliveries	Staff required to deal with deliveries	<p>Considering methods to reduce frequency of deliveries, for example by ordering larger quantities less often.</p> <p>Local arrangements to be made whether deliveries made external to the building or to pre-allocated area as appropriate.</p> <p>Staff wiping the outer surfaces of delivery boxes before handling/relocating/sorting the delivery or leaving it to quarantine for 72 hours where possible</p> <p>Wash hands after handling deliveries/packaging.</p>		Senior Leadership Team.

**COVID-19 Risk Assessment for Schools**

Grange Park Primary School

<p>Potential transmission of virus from visitors/parents</p>	<p>All those that would come into contact with Visitors</p>	<p>Parents to be encouraged to continue to observe social distancing when dropping and picking children from school.</p> <p>Where possible, only one parent to pick/drop the children.</p> <p>Parents visiting reception office to wait outside</p> <p>Parent will be allowed into the school by appointment.</p> <p>Fixed/standalone sanitisers stations will be set up at various locations including entry and exit points.</p> <p>Screens installed at reception desk.</p> <p>Staff are to regularly wash hands or use hand gel frequently i.e. on arriving at work, after handling parcels/post/books, moving from room to room.</p> <p>Reduce intake of any paper documentation from parents. Advise parents to email any documentation. Where it is unavoidable, staff to ensure wash and sanitise hands regularly.</p>	<p>Where parents wish to discuss any concerns with the teacher, this to be done outdoors where possible</p> <p>Notices displayed in Reception office reminding the parents not to send their child to school if they or anyone in the household have symptoms</p> <p>Update pre-recorded advisory message on the school phone line about the COVID-19 symptoms and isolation.</p>	<p>Senior Leadership Team.</p>
<p>Potential transmission of virus from contractors attending the school site</p>	<p>All those that would come into contact with Contractors</p>	<p>Contractors to be notified in advance not to attend the premises if they have symptoms</p> <p>Attendance by contractors notified to reception desk in advance</p> <p>Contractors to sign in at reception desk and declare they do not have symptoms.</p> <p>Site manager to ensure area of the work is clear before-hand. Any pupils and staff to leave that area.</p> <p>Site manager to liaise with and monitor the contractor maintaining social distancing where possible.</p> <p>Sanitisers stations will be set up at various locations including entry and exit points.</p>	<p>Staff to observe and ask any contractors to leave the building if they have symptoms</p>	<p>Senior Leadership Team.</p>

**COVID-19 Risk Assessment for Schools**

Grange Park Primary School

		Supervised and limited access to other parts of the building  Regular cleaning regime of public/communal areas.		
Potential Spread of virus from Reading Hub	All Library Users and Staff	Staff to make use of any digital resources for pupils.  Once operational only one class to attend the reading hub at one time  Pupils encouraged to drop the returning items in a collection box/trolley.  Consider returned items to be quarantined for 72 hours.  Staff/pupils to hand sanitize their hands before and after the use of the reading hub		Senior Leadership Team.
Accidents, security and other incidents:	All	In an emergency, for example, an accident or fire, people do not have to stay apart if it would be unsafe.  People involved in the provision of assistance to others should pay attention to sanitation measures immediately afterwards including washing hands.		Senior Leadership Team.
Potential stress/anxiety caused by COVID-19	Staff can be affected by stressors more than is usual due to COVID-19 crisis.	Reassurance to staff of measures taken seriously to protect their safety.  Communication of message that for most people Covid 19 results in mild illness. Also, that transmission of the virus is more likely if in contact with someone with symptoms at less than 2 metres for 15 minutes or more. The incidence of covid-19 is lower than it was.  Regular communications from Headteacher.  Mental Health Senior Leadership Team will promote mental health & wellbeing awareness to staff and will offer whatever support they can to help.  Regular contact with managers and colleagues	Regular communication of mental health information should be communicated to all staff.  Consider use of Occupational Health Service or equivalent.	Senior Leadership Team.
