

Friday 3 December 2021

Dear Parents

Each term we will be celebrating children's talents and interests during our 'Golden Bear' assembly. As a school we want to develop children's talents and interest by introducing them to a broad range of experiences so with this in mind we will be showcasing the talents and interests of different people within our community; children, staff and parents.

A primary focus of our curriculum is to raise aspirations and to engender a sense of personal pride in achievement so during this assembly we would like to celebrate the achievements made by the children of Grange Park Primary School in their out of school endeavours as well as any extra curricular activity that they do here.

If your child has received an award of any sort (certificate, medal, trophy) **this term** we would like them to bring it to school on **Friday 10 December** so that their achievements can be celebrated in the assembly and awards be shown. Please ensure that they are labelled with your child's name and are given to the teacher at the beginning of the day to ensure safe keeping.

Thank you for your continued support, we look forward to hearing about your child's talents and interests!

Best wishes

Rebecca Neale
Deputy Headteacher
