Please also note the following organisational details to ensure safety for our children and smooth running of the event:

- All parents should sign the class register when entering.
- Parents should use adult toilets only, and need to be accompanied by a staff member. They

should not take their own child to the toilet.

In order to ensure yourselves and our children are safe, the control measures for the Come Learn with Me event will be as follows:

- The government has removed the requirement to wear face coverings by law but expects and recommends that they are worn in enclosed and crowded spaces where you may come into contact with people you don't normally meet. We recommend parents wear face coverings at this event.
- The event will be timetabled one class at a time to reduce contacts.
- For Nursery and Reception, the event will be taking place both inside and outside the children's well ventilated classrooms.

We look forward to seeing you there!

Best wishes
