Year 6 Summer 1: Theatre and Production

Curriculum connections

6

Science

Evolution

Recognise that living things produce offspring of the same kind, but that offspring normally vary and are not identical to their parents.

Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.

6

Computing

Big Data 2

Understand how corruption can happen within data during transfer (e.g. when installing, copying and updating files).

Understand that computer networks provide multiple services.

Use search and word processing skills to create a presentation.

Create formulas and sort data within spreadsheets.

Learn about the Internet of Things and how it has led to 'big data'.

Learn how 'big data' can be used to solve a problem or improve efficiency.

E-safety: Manage personal passwords effectively.

5

6

PE

Carnival

Create group movements selecting and applying choreography into a routine.

Experience dances from different cultural traditions.

Tag Rugby

Consolidate defending and attacking skills and apply into games.

6

6

Music

Theatre music

Learn about Leonard Bernstein - West Side Story.

Sing and play some of the Latin American rhythms.

Listening - children choose a song they would like their classmates to hear and say whether they find the lyrics or melody most effective.

Learn the genre of different songs and respect for others' choices of music.

6

PSHE

Relationships

Know how to make friends.

Try to solve friendship problems when they occur.

Help others to feel part of a group.
