This is the ELT Partnership Publication Scheme on information available under the Freedom of Information Act 2000

The Board of Trustees are responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

- School Prospectus/ Website
- Governors' Documents and Articles of Association
- Pupils & Curriculum
- School Policies and other information related to the school

3. How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email or letter. Contact details are set out below or you can visit our website: www.eltpartnership.org

Registered office: Enfield Learning Trust Hazelbury Primary School Haselbury Road, London N9 9TT Telephone: 020 8807 3140

To help us process your request quickly, please clearly mark any correspondence "PUBLICATION SCHEME REQUEST" (in CAPITALS please)

If the information you're looking for is not available via the scheme and is not on our website, you can still contact the school or Trust to ask if we have it.

4. Paying for information

Information published on our website is free, although you may incur costs from your internet service provider. If you don't have internet access, you can access our website using a local library or alternative provision.

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, pay a large postage charge or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.
