**How is Easter celebrated in Spain?**

The Easter period in Spain is known as Semana Santa, or Holy Week, and events in many cities around the country really do last a whole week. Here it's not just about Easter Sunday – there are many other traditions leading up to the day, which are perhaps even more important.  
Religious processions, the main part of Semana Santa, go on all week and consist of parades in colourful costumes, huge floats, and mourning the death of Christ.
