#### Boys and Girls football training

Our sports coaches are ready to help all children to develop and improve their football skills. The Grange Park PE team arrange a number of matches throughout the year and we hope that every child in these clubs will represent the school.

#### Story Adventure club - Reception only

In this club, children can come and explore a variety of books, with activities focused on a book of the week during each session. It gives children the opportunity to socialise and engage with others in a relaxed environment. Children also have the chance to share their own books from home and school, if they choose, and these can also be used as stimulus for activities.
