Information for year 6 parents: September 2022

Staff

Class teacher(s): Anick Charles

Support staff: Jacqui Selwood

Year group Achievement Leader: Ian Gregory

Attendance and Punctuality

- Children achieve most when they are in school on time every day. We have a
 whole school target of 97% attendance. A positive and prompt start to the day is
 important for the whole class in order to feel confident, settled and to achieve
 their best
- Doors open from **8:45am** and children should be in class very soon thereafter
- Children arriving **after 8:55am** will be marked late on the register
- If your child is ill or absent due to a dental or medical appointment, please notify the school via ParentMail. Wherever possible please book appointments outside school hours
- Parents must warn the office in advance of early collections
- Percentages for attendance and punctuality across the school are featured in our family assemblies and the school Newsroundup

End of the day

The timings of the end of the day have changed to 3:25pm for all the children in Reception - year 6:

- Please collect your child from the area near the front gate
- Year 6 can walk home with permission given to the office
- Wrap around care offered, Extend, information on the Website

After school enrichment clubs will finish later, at 4:30pm, and the Extend Afterschool club will finish at the same time as normal at 5:50pm.

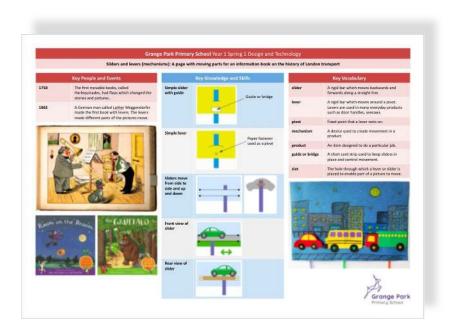

Behaviour for learning

- We have high expectations of children's behaviour in the classroom, when moving around the school and at play and lunchtimes
- We have introduced 3 step routine
- We expect children to show consideration and take responsibility for themselves, others and the environment
- These character traits are summed up in our school values of Respect, Responsibility and Resilience
- Your support is invaluable in ensuring that children know and understand what is expected of them when in school
- We recognise and celebrate positive behaviours wherever they are seen, using them as a model to inspire and share with others

Our learning connections

As teachers we understand that learning is most successful when the children have had the
opportunity to make connections with learning they have done in the past and will be doing
in the future. Learning also should be organised and meaningful.

The curriculum

We ensure our pupils experience a broad and balanced curriculum and have a long-term memory of an ambitious body of knowledge.

Our coherently planned curriculum uses the National Curriculum as the basis for subject content and expectations. It is planned and sequenced, so that new knowledge and skills build on what has been taught before, towards clearly defined **end points.** It informs what pupils need to know and be able to do to reach those points.

These end points can be found on our website in the curriculum tab.

IT at Grange Park

- In order to succeed in this ever-changing landscape, Connect Education Trust believes that its pupils are going to have to learn new skills later in their life. Roll out of 1:1 Chromebooks in 2020
- IT skills are taught in computing and then used across the curriculum to enhance learning.

 The children use many Apps at school. Some are facilitated by the teacher for example G Suite (Slides, Docs, Sheets, Jamboard, Earth, Drawings and Classroom), Google Expeditions, Nearpod, Flipgrid, ScreenCastify, ThingLink and Adobe Spark, and the children have logins for others:
