

Teaching your child to read in Year 1

PARENT INFORMATION SESSION
Thursday 6th October 2022

Why RWI phonics?

- The ability to read and write is a vital skill for all children.
- Phonics helps children to develop good reading, writing and spelling skills.
- RWI programme meets the expectations of the National Curriculum
- Daily systematic and structured programme
- Whole class and small group work
- Storybooks align with the sounds learnt in class
- Proven to be successful in early reading

Phonics at a glance

Skills of segmentation and blending

Knowledge of the alphabetic code

Terminology

Phoneme

- This is something you can hear.
- The smallest unit of sound in a word
- The sound that a letter or group of sounds make

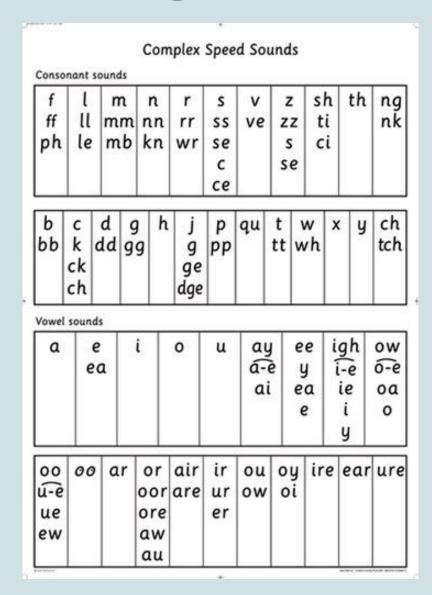

Grapheme

- This is something you can see.
- The written representation of a phoneme.
- A grapheme can contain 1, 2, 3 or more letters.
- E.g. t, ai, igh

English Language

- 44 sounds
- Over 150+ graphemes
- One of the most complex alphabetic codes in the world!

Learning so far

- Set 1 & 2 sounds
- RWI storybooks
- Matching banded books
- Multi-sensory approach
 matching handwriting phrases
 to letter formation

Set 3 sounds

- Once children are secure in their Set 1 & 2 sounds, they are taught Set 3.
- These are different graphemes (ways of writing) the same sound
- Appear in Yellow, Blue and Grey storybooks

Complex Speed Sounds chart

Consonants: stretchy

	ck				ge							
	ch											

Vowels

a	е	i	О	u	ay	ee	igh	ow
	ea				a-e	y	i-e	o-e
					ai	ea	ie	oa
						е	i	О
(

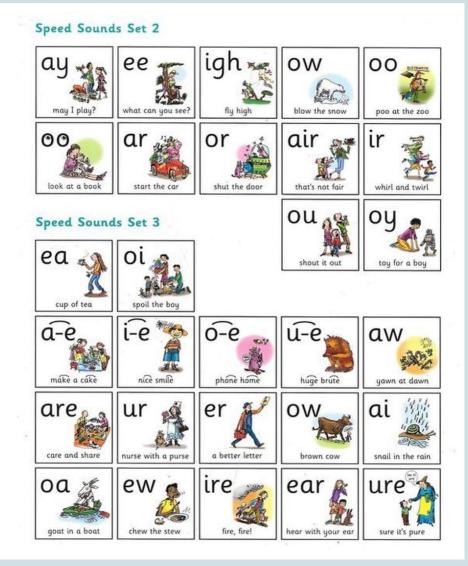

00	00	ar	or	air	ir	ou	oy	ire	ear	ure
и-е			oor	are	ur	ow	oi			
ue			ore		er					
ew			aw							
			au							

Choosing the right grapheme

- Choosing the correct grapheme for a word can be challenging
- Children will need to decide if its make, maik or mayk
- As adults we might sometimes write a word down to see if 'it looks correct'
- We need to allow children time to do this too, using the complex speed chart (which
 can be found in the children's home school books) we encourage the children to
 write the word down and ask them, "does it look correct?"
- Children who are frequently and consistently exposed to written print are more likely to able to identify if their spelling looks correct.

Sounds and Rhymes

Speed Sounds Set 1 sh е ng nk

By the end of EYFS, children should be secure in all Set 1 single letter and digraph sounds (special friends).

Children should be able to recall and recognise Set 2 and 3 sounds by the end of Year 1.

You can learn the pronunciation of sounds <u>here</u>.

How does phonics help us to read?

- Phonics teaches children how to read through segmenting and blending sounds.
- Segmenting is breaking a word into small, manageable chunks to spell it, e.g. <u>c-a-t</u>.
- Blending is merging the letter sounds together, e.g. cat.
- We use Fred Frog to teach children how to read through segmenting and blending words.
- Fred can *only* talk in **pure sounds.**
- He says <u>b-r-ow-n</u> not brown.
- We call this 'Fred Talk.'

Fred Talk at home

Talk to your child using Fred Talk:

- What a tidy r-oo-m!
- Where is your c-oa-t?
- Time for b-e-d

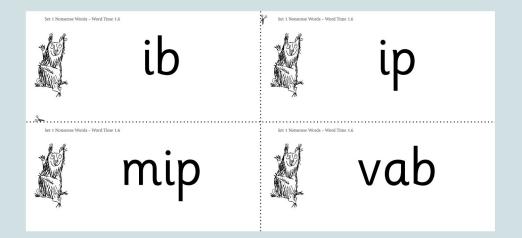

Fred games:

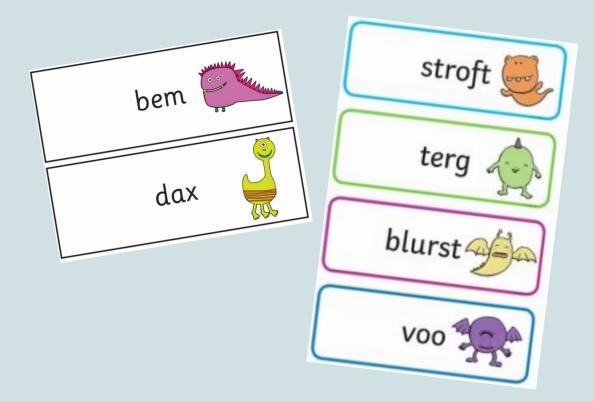

- Fred wants you to touch your h-ea-d
- Fred wants you to act like a h-or-se
- Fred wants you to h-o-p, r-u-n, s-k-i-p

Alien Words

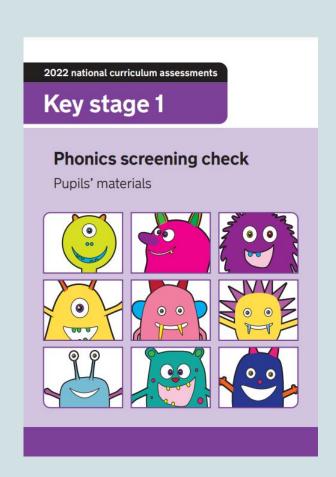

- Nonsense words or 'alien' words are made up words that have no meaning.
- They are used to assess children's sound knowledge and blending.
- During daily phonics sessions, children will be given a set of nonsense words to read linked to the focus sound, e.g. ay = flayg
- In the Phonics Screening Check at the end of Year 1, children are asked to read 20 alien words.
- If children are able to decode alien words successfully then they will be able to decode new words that they will come across daily

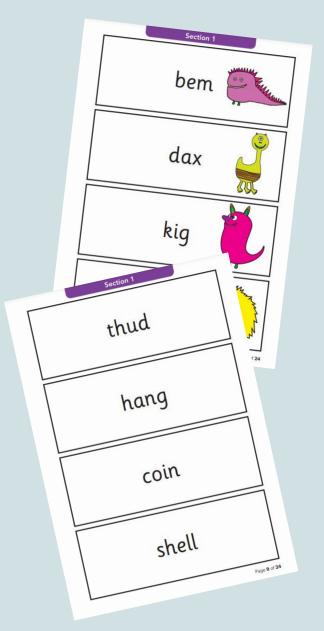

Phonics Screening Check

- The National Phonics Screening Check is a statutory assessment that was introduced to all Year 1 pupils in 2012.
- All Year 1 pupils will take the phonics screening check in the summer term.
- It comprises of a list of 40 words 20 nonsense (alien) words and 20 real words.
- It assesses children's ability to decode and blend words accurately.
- The check consists of words containing Set
 1, 2 and 3 sounds.

Parent Video

End points

			MINISTER AND ADDRESS OF THE PARTY OF THE PAR
	YR children can:	Y1 children can:	Y2 children can:
End of Autumn 1	Read single-letter Set 1 sounds	Read Purple Storybooks; read some Set 2 sounds	Read Grey Storybooks
End of Autumn term	Read all Set 1 sounds; blend sounds into words orally	Read Pink Storybooks; read all Set 2 sounds	Read Grey Storybooks with fluency and comprehension
End of Spring 1	Blend sounds to read words; read short Ditty stories	Read Orange Storybooks; read some Set 3 sounds	Read White Reading Hub books with fluency and comprehension
End of Spring term	Read Red Storybooks	Read Yellow Storybooks	and comprehension
End of Summer 1	Read Green Storybooks; read some Set 2 sounds	Read Yellow Storybooks; read all of Set 3 sounds	
End of Summer term	Read Green or Purple Storybooks	Read Blue Storybooks	

- To be at the expected standard by the end of Year 1, children should have completed the Read Write Inc programme or at least be on Blue storybooks.
- In Year 2, children should be accessing Reading Hub (chapter) books independently with fluency, expression and secure comprehension skills.

Reminder:

All children develop at a different pace and should not be rushed off the programme. Some may be a little behind or a little further ahead in comparison to their peers. This is okay as they are still learning!

Reading in preparation for writing

- Developing fine motor skills thumb, finger, hand and wrist movements
- Pincer or tripod grip for handwriting
- Teaching correct posture sitting at a table
- Handwriting practice using RWI rhymes

How can you support development of the skill at home?

Read read read!

- Read favourite stories over and over again
- Read some stories at a higher level than they can read themselves e.g. their library book.
- Listen to them reading their RWI books
- Daily practise improves confidence and skills.
- Ask your child questions about the books they are reading to develop understanding and comprehension.

Home School Books

- Home School books in KS1 contain pages to support with RWI as well as a recommended reading list.
- These books need to be in school every day
- Please read with your child at least 3 times per week
- We will communicate child's progress
- Children can send in a birthday book to help us to celebrate their special days. We have labels to put inside the book naming the child who donated it. Please speak to us if you want some ideas about which books to buy.
- For additional information on reading at Grange Park, along with further recommended reads, please visit our website.

Groupings

- Children have been grouped according to learning needs.
- They are assessed regularly through home/school reading.
- Children are formally assessed on a half-termly basis.
- Daily RWI session will include:

Speed Sounds Lesson
New words linked to sounds
Learning 'red' words
Whole class shared reading
Adult-led paired reading and comprehension
Adult-led writing task

- Letter formation and handwriting sessions
- Fine motor activities 'busy fingers'

How can you support your child?

- Daily and regular reading at home at least 3 times a week
- Talk through the questions in the back of the RWI books
 develop comprehension and understanding
- Evidence your child's reading progress in their home school diary
- Read to your child as frequently as possible this promotes language development, broadens their vocabulary and creates a love for reading.
- Expose your child to a variety of books non-fiction, age appropriate, classic tales, library books.
