

Dear Parents

### **The Quest for... Space**

Year 1 has planned an exciting visit from the Freshwater Theatre which is linked to our learning quest topic Space. The purpose of the visit is for children to explore the role of an astronaut. The children will become new recruits for the Space Programme and undertake various assignments to discover what astronauts do and what skills they need. They will prepare for a mission into space, recreate the first moon landing and journey through our solar system to explore the planets.

All Year 1 classes will be having a session which will take place on **Thursday 18th April 2024**.

The cost of this session is **£7.00**.

Please log onto Parentmail>Payments>Shop to make the payment by Monday 15th April 2024.

Children will need to bring their reading books and Chromebooks to school as usual.

Kind regards

Year 1 Team
